Università
Urbaniana

November 19th, 2016 with the participation of Organizations, professionals and practitioners from Italy, Europe and other parts of the world will share their projects, practices and findings.

The Athena Network was founded in 2010 by Joseba Achotegui , professor of the University of Barcelona., Rachid Benengadi, Director of research of Minkowska Center in París, and Xochtil Castaneda professor of Berkeley University as global network for psychological and psychosocial help to immigrants living extreme situations

www.laredatenea.com

The Congress will take place in the Pontifical Urbaniana University, Via Urbano VIII, 16.

If you are a lecturer, researcher or social worker with migrant people in a public or private institution, you can **apply to make a brief presentation or put a poster** (there is a limit to the number of contributors), **sending a title and an Abstract in English of a maximum of 250 words**. The deadline is September 15th, 2016. Send an email to laredatenea2010@gmail.com

We would like to invite you to this interesting and highly relevant conference, where you will meet people involved in migrant health and social work. The conference is open to everyone, as there will be a wide range of participants including people working in the voluntary sector, public services and academia.

The conference is sponsored by many organizations and universities but we ask you to contribute a minimum of 10 euros. **The Congress is all of us.**

organizaciones, especialistas y profesionales de Italia, Europa y otros países del Mundo quienes presentarán sus prácticas y resultados de proyectos de investigación.

La Red Atenea fue fundada el año 2010 en Barcelona, por Joseba Achotegui profesor de la Universidad de Barcelona., Rachid Bennegadi, Director de Investigación del Centre Minkowska de París y Xochtil Castaneda profesora de la Universidad de Berkeley como red global de ayuda psicológica y psicosocial a inmigrantes en situaciones extremas.

www.laredatenea.com

El evento se llevará a cabo en la Sede de la Pontificia Universidad Urbaniana, ubicada en la Vía Urbano VII, 16, el día sábado 19 de noviembre

La participación al Congreso está abierta a profesores, investigadores y todas las personas que trabajan en el área social del mundo de la inmigración, (pertenecientes a una institución pública ó a una asociación privada). Es posible enviar una propuesta a laredatenea2010@gmail.com mencionando el **titulo, un resumen en Inglés de máximo 250 palabras, e indicando si se trata de una ponencia o de un poster**: los dos tendrán un número determinado de aceptación. Fecha límite para recibir propuestas: **15 de septiembre del 2016.**

El Congreso está abierto a todos aquellos que trabajan en el mundo global de la inmigración, como los voluntarios y las instituciones públicas y académicas relacionadas con el área

El congreso es patrocinado por varias instituciones pero para cubrir los gastos pedimos una contribución mínima de 10 euros por persona que se podrán entregar el día del Congreso. **El Congreso lo hacemos todos.**
